

What to move ☺

- this etegné (steel frame w/ glass - very heavy so take glass pieces out...)
- bed frame (head board) - white thing
- 2 white pieces of furniture that are in my closet (both are empty)
- 2 couches (may want to take mattress out of sleeper one to make lighter)
- glass end table
- wood coffee tables (both)
- TV
- TV stand
- red / brown wood shelf thing in corner of dining area
- glass (w/ black chairs) table in dining area (try to fix chair if you can)
- dresser and desk in storage (the one you and Benny put in there)
Storage combination lock:
(you have the key from Gina)
- bed - mattress - box board
- brown rocker chair
New Apt

thx for helping me ☺

* Also if you could put the door back on the walk-in closet - it's in the storage unit!
