Dear Mr. 

I would be grateful if you would consider an idea I have for one of your shows. The idea is not original, but I don't think it's been done in many years.

With the Labor Day fast approaching, a show highlighting the affects of alcohol and the dangers of drunk driving would certainly be timely. As an experienced drinker, and an advocate against drunk driving, I'm an ideal candidate for the on-air demonstration.

A member of the law enforcement community could monitor my alcohol intake, and provide educational commentary throughout the program.

I have included a CD that contains a sampling of me on the radio after winning a contest in the mid 1990's. Please don't be concerned with the PG-13 language as I can turn it on and off like a beer tap.

Thank you in advance for your consideration, and as always, carry the one.

Cheers,

Benny
